Welcome . . .

Haslemere Chiropractic Clinic first opened in 1997, and has established itself as a centre for excellence in the care of joint, muscle and nerve problems. The treatment provided is suitable for people of all ages with programmes of care tailored to the individual's needs. We work closely with many local GPs, midwives and other healthcare professionals, and have a satellite Practice operating from Liphook Village Surgery.

Our team of highly trained and experienced chiropractors offers post-graduate expertise in [rehabilitation](#), [antenatal care](#), [paediatrics](#) and cranial work.

Our commitment to providing a top quality, professional and friendly service was recognised when Haslemere Chiropractic Clinic was one of the first practices in the country to be awarded the College of Chiropractors "Patient Partnership Quality Mark".

The Clinic also won the 2007 Haslemere Chamber of Trade & Commerce Customer Service Award.
